Payment Instructions

Of course this is not a real auction but just a little humor as we all need to smile sometimes. I'm a female 5"1, 120 pounds, and would not hurt a flea. I saved a old link to this auction when it was listed on Ebay about a year ago, it made me laugh and I thought you may enjoy it as well. Again this is just a auction for fun only!

The seller ended this listing early because the item is no longer available for sale.

Description

Looking for a old fashion ass kicking straight from Chillicothe, Ohio? If so look no futher as you have come to the right place, just get you a cup of hot coffee to sip on, pull up a chair, and make certain you are comfortable with the condition I've outlined below and if so you may be enjoying this ass kicking in the comfort of your own home by early next week. Winning bidder receives an ass-kicking from me personally. I am 6'3" and weigh over 260 lbs. If you win this auction, I will personally come to your house and kick your ass. I guarantee that I will not break any bones or kill you, nor will I use any weapons on you, but I will give you a good beating. I will do this under two conditions:

- 1st) You or anyone else does not press charges against me(after all, you bought the ass-kicking),**
- 2nd) You do not fight back or attempt to physically harm me in any other manner (remember this is your ass getting kicked, not mine)**

Buyer provides round-trip plane ticket to the nearest airport, as well as cab fare to your house and back. If you are not close to an airport, you may provide me with a train ticket or other means of transportation. Do not pick me up, as I will be attacking you completely randomly. Buyer must also provide good, clear directions to their house, as well as any business expenses for if I need to stay in a hotel or buy food for myself during the trip. Most likely though I will just fly in, kick your ass, and then leave.

Upon my arrival, I will select a random time to come over and kick your ass. It may be when you are sleeping, or showering, or any other time during the day/night when you are most vulnerable. During this beating I may damage one or more of your household items, if I have to break glass to get into your home or knock over furniture if you attempt to run from me. This should be expected by you, and covered in my expenses. If you are married or have children, I may choose to slap around your family a little bit, but only if I'm feeling particularly generous. They should be informed of this, and expect it as well. An Indian Artifact or two is likely to fall from one or more of my pockets while I'm giving you the ass kicking, as I always have some Artifacts on my person. In the event this does occur during the course of the beating and you happen to recover one or more Artifacts you should consider them gifts as I will not expect you to return them. All I ask is that when you pull the

Artifacts out and admire them, as your bound to do from time to time, Please think about me and the brief encounter we shared, I don't think that's asking too much.

Bidding starts at only (\$9.99) but remember the winner must pay all expenses for my travel if they wish for me to come and kick their ass.

I will accept COD (cash on delivery) but I must have payment in hand before the festivities begin, check, money order, Ebay Payments, or Paypal are also accepted forms of payment. Or you could just let me use your valid credit card for a few days and I will call it even.

Upon my return home I will promptly post possitive feedback to you so long as no charges have been filed against me in connection with the ass kicking, and you did not ettemt to fight back or physically harm me. I also ask that the winning bidder leaves positive feedback to me for the service provided if they feel it was as advertised. I have over 100 positive feedbacks including repeat buyers, if you take a peek at my feedback profile you will see I strive to achieve complete customer satisfaction with all my bidders, so you can rest assured I will kick your ass to the best of my ability without killing you or breaking any bones.

Please see the payment Instructions I've provided below on the right hand side for very key Instructions pertaining to this auction.

I will be on my way the moment your payment is received and valid directions are provided!
