

OFFICIAL POLICY

Education is a Right

Date of Adoption: July 25, 2003

Date of Expiration: July 25, 2006

Preamble: Whereas the integrity of a civil democratic society depends greatly in the input of an educated population; *and*

Whereas barriers to education, be they financial or otherwise, severely jeopardizes the constructive debate and critical thinking skills needed in a civil society; *and*

Whereas post-secondary education is becoming a necessity for student success in the 21st Century.

Resolution: Therefore, be it resolved that the Kwantlen University College Student Association support every person's right to unrestricted access to a high quality, public post-secondary education.
