

R.A.F. PARTY

(Reduce All Fees Party)

Kwantlen Student Union Annual General Election scheduled for Thurs Feb 24th – Fri Feb 25th THIS WEEK! The R.A.F. Party has 33 candidates from all cultural, social and economic walks of life. We also have a range of issues, none of which the current party has been able to address after 3 years in office!! Its time for a change!

If you support ANY of the following initiatives/ideas, vote "R.A.F."...

- 1) Receiving better value for your used textbooks and making it easier for students to buy and sell used books instead of buying the new "current" edition.
- 2) Intramural recreational sports activities for students of all Kwantlen Campuses, this would include lobbying for a gym in Richmond & Langley Campuses.
- 3) More financial support for students with disabilities and low income earners in times of need. Emergency bursaries as well child daycare funding for students with young children.
- 4) Collaboration with post-secondary institutions overseas to encourage student transfer programs with significantly reduced costs to students who wish to travel abroad and those who wish to come to Kwantlen.
- 5) Student housing for both local and international students at discount rates.
- 6) More "special" multicultural events/shows/performances, live comedy, talent shows, hypnotist... All ideas are welcome!
- 7) Improve overall student life and help to make Kwantlen feel more like a University College instead of a high school. Initiatives such as a Kwantlen Formal Dinner & Dance would be a great start!

The R.A.F. Party would like to inform the student body that \$36 from *every* student's pocket *every* semester goes to the KSA. You are going to pay this amount regardless of who is elected, but why not see that money go towards something meaningful? Better Value for your money, at least give the R.A.F. Party a chance? The KSA can only improve from the pit it has dug itself into... It can't get any worse... It's a WIN WIN situation...

VOTE "R.A.F."

Remember to vote you need only your student card! Polls open from 10-7pm Thurs & 10-3pm on Fri.
