Attention CRO

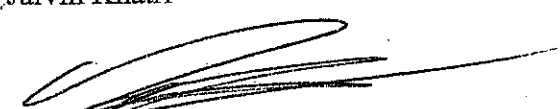

Myself, Jaivin Khatri, and staff accountant Yassar Ahmad were walking down the G building Hall in the far side of the school on Tuesday, January 17 2006 around 10am in the morning. We were walking up the hallway from the 126<sup>th</sup> street entrance and saw Christine Micmillin put up posters against the referendum question on the KSA windows and door. Also we saw her put it up on the KSA sign in the hallway as well.

This is a direct postering violation for all candidates are only allowed to display such materials on KSA notice boards

I urge immediate action takes place against this violation
