RE: Statement for Customer #1029891

Dear Sir:

This is with regard to a statement of “overdue account” in the amount of \$2,600.10 we received from your company.

We are disputing the bill in its entirety, as a contract was never signed with your company after the proposal to acquire the license was disapproved by the Executive Board.

It is our hope that this matter is resolved at the soonest possible time.

Sincerely,

Aaron Takhar
