## KSA Council:

My name is Ken McIntyre, I am the Students with Disabilities Liaison for the Kwantlen University College Student Association. There are 7 Liaisons that hold non-voting seats on the KSA Council, each representing a traditionally underrepresented portion of the Kwantlen Student population.

Providing a voice for disabled students at Kwantlen and making resources and information available for them is extremely important, as

well as working on advocacy and on any issues that might arise from time to time.

I am currently getting everything set up and laying the groundwork so that I am able to better represent.

Each Liaison is responsible for forming a commission to assist with these tasks. I am looking for volunteers who would like to join my commission and help with raising awareness about issues that face Disabled Students here at Kwantlen.

My office is in the G building in the Student Cafe on the Surrey Campus. My hours are Tuesday and Wednesday from 2-4PM and Thursdays from 1-2PM.

If you yourself identify as a disabled student, and would like to join my commission or would just like to chat please feel free to come by the office, or email me at

[disabilities@myksa.com](mailto:disabilities@myksa.com).

## Womens commission:

As the Women's Liaison for Kwantlen University College (KUC) it is my job to supply information to female students on relevant issues. It is also my responsibility to represent the female students of KUC during KSA council meetings.

I, Emily Henry am currently working hard at getting the Social Justice Centre running again.

My first experience with the KSA was as a member of the Women's Commission in 2002/2003.

I am now looking for women interested in joining my commission. Commission members help plan events, seminars, workshops, and participate in community work. A commission is a great place to meet people and make connections.

If interested my office hours are as follows:

Tuesdays 12:00-3:00  
Thursdays 12:00-2:00
