Steve and Laura,

In light of your requests for information (mainly steve) and you not being present at any of the meetings to receive the information, I have asked Yasser to provide you with more financial information that may be discussed outside of camera. If you require anything else let me know. I hope that you do not over extend the next meeting in order to review any other info that you may be requesting. Please send me any addition requests that you may have from now until the next meeting.

note that I have included any information that was thought (by yourselves) to have changed since Dec 31,2005, but if you need anything else for the year 2006 just shout my name. I have tried unsuccessfully to get the Board of directors this info the past few meetings but couldn't, so enjoy.

your sincerest treasurer, Joey
