Danish, the following email was sent last week, I was not aware of the most recent domain change.

As I indicated in our meeting, Mark Healey oversees our on-site operations and service, he is en route to Vancouver (if he is not already there) to deal with this issue. Once an approach and plan of action is determined it will be forwarded.

Also, attached is the benefits brochure, which provides a schedule of benefits. This also available at Surrey campus through the Benefits Plan Office, JB is also putting information outside the KSA offices for access outside of business hours. Additionally, this brochure is downloadable from the website: <http://www.gallivan.ca/studentnetworks/members/Kwantlen/kuc.html>.

Cheers,
Bryan

Howdy All!

I wanted to drop a line to say thanks for your time on Monday. If you have any questions on the material we discussed don't hesitate to pass them on.

On the matter of on-site service, I have spoke with Mark Healey and he is going to come out next week.

Cheers,
Bryan

Hi Brian,

This is Danish Butt, president of the Kwantlen Student Association, prior to our meeting on March 6, 2006, I was just wondering what took place with the staff issue that we brought up during the meeting, I did not receive any email or phone call to confirm that this issue was dealt with.

One more request I had was that if I could get a break down of what our plan entails in terms of coverage for students. This would be greatly appreciated, I look forward to a response.

Sincerely,

Danish Butt
