Subject : HEALTH & DENTAL plan motion important read!! board meeting!

HEALTH MOTION IS TO READ AS FOLLOWS:

BIRT the KSA hold a referendum on our Health Plan on May 22 and 23 with polls open from 10am - 4pm on both days on all campuses
BIFRT the KSA contract Sukh Heir as the CRO to manage the referendum

BIFRT the referendum read as follows:

Insert referendum question here!

I will send the question in the second e-mail because i'm still working on it...JOEY it would be good if you included the referendum in YOUR report in the agenda to ken! just copy/paste the above motion and the referendum question as well!

You guys can answer any questions from others on the board (which i'm sure you'll have) but make sure that the motion passes like above!
danish you may have to explain the motion and referendum question in the meeting even though its in joeys report. Its up to you but make sure it gets done! danish chair the meeting and make sure it goes smoothly!

we can't afford legal mistakes on this!
